South Point Arena & Equestrian Center

## LAS VEGAS NATIONAL FAQ:

### What is The Las Vegas National Horse Show?

A horse show is a judged exhibition of skill of horse and rider teams. Judges will either score based on percentages (the higher the better) or penalties (the lower the better). Classes and divisions are often organized by the experience level of horse or rider, difficulty of the test, or the horse or rider's age. It is one of the few sports where men and women compete equally with no particular gender advantage.

The highlight events are in the show jumping discipline. Skill, accuracy, speed and connection are some of the demands in the sport of show jumping. Horse and rider combinations must clear colorful obstacles set over a challenging course within a time allowed.

### What are the dates of The Las Vegas National?

Competition begins on Tuesday, November 14<sup>th</sup>, and continues through Sunday, November 19<sup>th</sup>. A schedule of the highlight events is posted here:
